"Technologist of the Year" Industry Award

Dear Colleagues,

The Institute of Electrical and Electronics Engineers - Bangalore Section, as part of industry relations, has instituted a prestigious award for industry professionals in India; for excellence in electrical engineering technology and allied fields of engineering and technology.

The title of the award will be "**IEEE Bangalore - Technologist of the Year 2018**"; and will comprise of an exclusive plaque, medal, and a certificate.

The objective of this award will be to recognize technical excellence with benefit to society in the field of electrical engineering, and related technical areas. The nominee should have been residing and working in India - at least - for the last 5 years. This award will recognize the outstanding individual contributions in industry.

The awardee will be shortlisted by an eminent jury comprising of experts from the IEEE Bangalore Section. The award will be presented at SmartTech, the IEEE Bangalore Section's flagship event for professionals, organized every year in the month of August.

Eligibility :
+ The award is open to both IEEE and non-IEEE members from industry; and anyone (i.e., any IEEE member or any professional) in India can nominate themselves or others for the award.
+ The nominee should have been residing and working in India at least for the last 5 years, and the technical innovations being cited should have been performed in India.
+ Since the award is meant to recognize individuals from industry who have made outstanding technical contributions, evidence for the nominee's specific contributions needs to be clearly documented. If it is a team effort, the individual technical contribution of the nominee to the technical innovations needs to be clearly identified.
